APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of the waters of an underground source as heretofore granted under Permit 18683, is issued subject to the terms and conditions imposed in said Permit 18683 and with the understanding that no other rights on the source will be affected by the change proposed herein. A meter must be installed in the discharge pipe line, near the point of diversion, and accurate measurements must be kept of water placed to beneficial use. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.10 cubic feet per second.

Actual construction work shall begin on or before August 11, 1963

Proof of commencement of work shall be filed before September 11, 1963

Work must be prosecuted with reasonable diligence and be completed on or before August 11, 1964

Proof of completion of work shall be filed before September 11, 1964

Application of water to beneficial use shall be made on or before August 11, 1965

Proof of the application of water to beneficial use shall be filed on or before September 11, 1965

Map in support of proof of beneficial use shall be filed on or before

Commencement of work filed Oct 21 1963

Completion of work filed July 23 1964

Proof of beneficial use filed OCT 18 1965
